The screenshot shows the Visual Studio IDE with the following components:

- Server Explorer:** Displays the 'student_information' table under the 'info (SQL)' data connection.
- Table Data:** A table with 7 columns: name, age, qualification, address, phone_number, and email. It contains two rows of data.
- Solution Explorer:** Shows the project structure including 'Database1.mdf', 'Database1_log.ldf', 'packages.config', 'Web.config', and 'WebForm1.aspx'.
- Properties Window:** Shows the properties of the selected file.
